MEMORANDUM FOR: Acting Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: Soviet Defense Costing and Pipes Evaluation
of Soviet Analysis

I didn't get around to talking about either the defense costing issue or the Pipes evaluation of Soviet analysis at PFIAB today. Time ran out. I will be seeing Anne Armstrong tomorrow and I will alert her to our problems with defense costing. I am inclined to think about the Pipes thing until we see the report and can develop a more structured response, but if you think I should broach our concerns initially at this point let me know.
